Phone (614) 292-7720  
top@osu.edu

I, **WRITE YOUR NAME HERE**, by registering to the Cultivate18 event, promise to represent TOP, The Ohio State University, my home university and my home country with pride and honor.

I promise to use this event to build my professional network, expand my horizons and learn about horticulture and business.

I promise to respect and help my TOP colleagues and people I meet during the show.

I promise not to party excessively. I will not abuse alcohol and I understand that alcohol abuse equals automatic dismissal from the rest of the event with no refund.

I will always be on time and I will not embarrass myself by making others wait for me. I will always be a few minutes early, never late. I understand that the bus and shuttle will always leave on schedule and not wait for me.

I will pay attention, ask questions, will participate in events with enthusiasm and be active listener.

I am a young professional and I will act as such.
